

Cupid Bingo

This is a fun way to play Bingo with a Valentine's Day theme. Included are 14 game cards, and a deck of number cards. To use:

1. Print out the Bingo cards on pages 2-8. There are two cards per page. Cut them apart to make 14 cards. If you need more than 14 cards, then you'll either have to make your own or print some of the cards twice.
2. Print out the card deck on page 9. Cut the cards and mix them up. Stack them face down.
3. Draw a card out of the deck in step 2 and call out the number. For example: "C-4" or "D-53" Players should either cross out the number on their card with a pencil or use a piece of paper to cover it up (so the cards can be used for more than one game.)
4. The first one to get all the numbers either across or down should call out "Cupid" instead of Bingo. Remember, the center square is a FREE square.
